Staff

Nurse Practitioners and Licensed Practical Nurses are your health care team members. They are linked to Physicians at the SAVAHCS, Tucson, using “Telemedicine,” a state of the art telecommunications system that allows the team members and their patients instant access to the resources of the larger medical center.

Laboratory Services

Point of care lab testing capabilities are available on site. Routine and complex laboratory tests are sent to the SAVAHCS, Tucson. Overnight mail service connects the two facilities, allowing rapid reporting on most diagnostic tests.

Speciality Care

Subspecialty care and inpatient care for enrolled patients are provided for at the SAVAHCS, Tucson.

Services and Scope of Care

- Health screening
- Health promotion
- Health maintenance
- Education
- Management of acute and chronic diseases
